Dear Colleague,

Please join me in requesting $14.5 million in funding for the School Leader Recruitment and Support Program (SLRSP) in the Fiscal Year 2020 Labor, Health and Human Services, Education and Related Agencies Appropriations bill.

SLRSP is the only federally authorized program dedicated specifically to strengthening school leadership. It has a demonstrated track record of success and was included in the bipartisan reauthorization of the Elementary and Secondary Education Act. Funding for this program will ensure that principals and school leaders receive critical support, ultimately leading to improved teacher skills and increased student achievement.

Sincerely,

Susan A. Davis
